Date: 4/30/2023. Revised: _____.

[1] Location may be the county, address, or site identification/description.

[2] Purchase price to be listed as of the date of acquisition of the property by the hospital, if known. If unknown, state "UNK".

[3] Health care purpose includes the provision of patient care; the provision or delivery of healthcare services, including supportive administrative services; the training and education of physicians, nurses, and other healthcare personnel; and community education and outreach relating to health care or wellness.

[4] Improvement means the permanent addition or construction of a building or structure.
